The Princess Diaries, Volume II: Princess in the Spotlight Learning Prebound

A brand new, fun filled chapter book series that answers the question: What if Frozen's Elsa went to regular school? Princess Lina has a life any kid would envy. She lives in a massive palace in the clouds. Everyone in her family has the power to control the wind and weather. On a good day, she can even fly! She loves making lemons into lemon ice, riding wind gusts around the sky, and turning her bedroom into a real life snow globe. There's just one thing Lina wants: to go to regular, non-magical school with her best friend Claudia. She promises to keep the icy family secret under wraps. What could go wrong? (EVERYTHING!)

The Princess Diaries, Volume III: Princess in Love Feiwel & Friends

Things are looking up for Mia: She's the newest staffer on the school paper, and her miraculous completion of freshman Algebra is just around the corner. Plus she's about to get a new baby brother or sister. Could things possibly get any better? But in her heart of hearts, Mia has one wish: an evening spent with Michael in a tux and a corsage on her wrist -- in other words, the PROM. Michael, however, does not seem to share the dream that is the prom. Worse still, a service workers strike (with Grandmère and Lilly at the heart of it and on opposite sides) threatens the very existence of this year's prom. Will the strike end in time? Can Michael be dissuaded from his anti-prom views? Most importantly, will Mia get to wear her pink prom dress?

The Princess Diaries Harper Collins
From the #1 New York Times bestselling

author of the Princess Diaries series, comes the very first adult installment, which follows Princess Mia and her Prince Charming as they plan their fairy tale wedding—but a few poisoned apples could turn this happily-ever-after into a royal nightmare. For Princess Mia, the past five years since college graduation have been a whirlwind of activity, what with living in New York City, running her new teen community center, being madly in love, and attending royal engagements. And speaking of engagements. Mia's gorgeous longtime boyfriend Michael managed to clear both their schedules just long enough for an exotic (and very private) Caribbean island interlude where he popped the question! Of course Mia didn't need to consult her diary to know that her answer was a royal oui. But now Mia has a scandal of majestic proportions to contend with: Her grandmother's leaked "fake" wedding plans to the press that could cause even normally calm Michael to become a runaway groom. Worse, a scheming politico is trying to force Mia's father from the throne, all because of a royal secret that could leave Genovia without a monarch. Can Mia prove to everyone—especially herself—that she's not only ready to wed, but ready to rule as well?

Princess in Love Pan Macmillan

At last, Mia is a junior. An upperclassperson. Free of her responsibilities as student body president. So why is it that everything is going so terribly wrong? What is she doing in Intro to Creative Writing? When she has made it through Algebra and Geometry, why must she be faced with Precalculus? And for the love of all that is Genovian, why has Lilly nominated her for school prez again? All this is nothing compared to the news Michael springs

on her, however. On top of all the mathematical strife, her beloved boyfriend is leaving for Japan for a year. Precalc has nothing on preparing for the worst separation ever! Turns out there is one way she might convince Michael to stay. But will she? Or won't she? No matter what, Mia seems headed for disaster.

The Princess Diaries Complete Collection Pan Macmillan

The sixth book in the #1 New York Times bestselling Princess Diaries series by Meg Cabot. Student body president, that is—nominated by her power-mad best friend, Lilly. This is not how Mia imagined kicking off her sophomore year, but as usual, she has bigger problems to worry about, like Geometry. And now that Mia's one true love, Michael, is uptown at college, what's the point of even getting up for school in the morning? But the last straw is what Lana whispers to her on the lunch line about what college boys expect of their girlfriends. . . .

Really, it's almost more than a princess in training can bear! *Princess in Training* is the sixth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.

What's not to love about her life? Well . . . everyone adores her dreamy boyfriend, J.P., but Mia is not sure he's the one. Her first love, Michael, is back from Japan . . . and back in her life. That senior project? It's a romance novel she secretly wrote, and no one wants to publish it. And her father is losing in the Genovian polls—to Mia's loathsome cousin René! Princess in the Spotlight Harper Collins

Fourteen-year-old Mia, who is trying to

lead a normal life as a teenage girl in New York City, is shocked to learn that her father is the Prince of Genovia, a small European principality, and that she is a princess and the heir to the throne.

Ten Out of Ten MACMILLAN

Princess Mia Thermopolis is introduced to her Genovian subjects, and more importantly, she goes out on a date with the newly appointed Royal Consort Michael Moscovitz. Reprint.

Perfect Princess Harper Collins

Party Princess by Meg Cabot is the seventh book charting the (mis)adventures of Princess Mia, in The Princess Diaries. Party Princess was previously published as Seventh Heaven. Poor Mia Thermopolis. Not only has she made a total ass of herself with J.P. (aka the Guy Who Hates It When They Put Corn In The Chilli) by trying to prove that she's a super-chilled party girl, but she's also bankrupted the student council.

Way to go, Princess. Just as Mia's scared that she's lost Michael and a ton of money, Grandmère steps in with a fundraising plan. She's going to stage a musical in front of the world's hottest celebs - and the star will be none other than Princess Amelia Mignonette Grimaldi Thermopolis Renaldo!

Royal Rebel Harper Collins

For fans and new readers alike, a fantastic opportunity to own all ten "Princess Diaries" in one perfect boxed set!

Snow Place Like Home (Diary of an Ice Princess #1) Harper Collins

That is, it usually means those things. But when you're Princess Mia, nothing happens the way it's supposed to. For one thing, Grandmère seems determined to prove that boy (or Michael, as he is commonly known) isn't the right one for the crown princess of Genovia. And Mia isn't having much luck proving

otherwise, since Michael has a history of being decidedly against any kind of exploitative commercialization (Valentine's Day, as it is commonly known). Boris can declare his love openly to Lilly, and even Kenny comes through with a paltry Whitman's Sampler. So why can't Michael give in to Cupid and tell Mia he loves her—preferably with something wrapped in red or pink and accompanied by roses—in time to prove he's Mia's true prince?

The Princess Diaries, Volume IX: Princess Mia Harper Collins

Five amazing authors. Five unforgettable stories. In this exciting collection of paranormal tales, best-selling authors Stephenie Meyer (*Twilight*), Kim Harrison (*Once Dead, Twice Shy*), Meg Cabot (*How to Be Popular*), Lauren Myracle (ttyl), and Michele Jaffe (*Bad Kitty*) take prom mishaps to a whole new level—a truly hellish level. Wardrobe malfunctions and two left feet don't hold a candle to discovering your date is the Grim Reaper—and he isn't here to tell you how hot you look. From angels fighting demons to a twisted take on getting what you wish for, these five stories will entertain better than any DJ in a bad tux can. No corsage or limo rental necessary. Just good, creepy fun.

mistletoe with Michael. Worst of all, Mia hasn't been able to find him the perfect gift. Can Mia stop her (bah-hum)bugging long enough to see that the perfect present has nothing to do with international express courier -- and everything to do with real love? From the Notebooks of a Middle School Princess Harper Collins

The fourth book in the #1 New York Times bestselling Princess Diaries series

by Meg Cabot. Never before has the world seen such a princess. Nor have her own subjects, for that matter. But Genovian politics are nothing next to Mia's real troubles. Between canceled dates with her long-sought-after royal consort, a second semester of the dreaded Algebra, more princess lessons from Grandmère, and the inability to stop gnawing on her fingernails, isn't there anything Mia is good at besides inheriting an unwanted royal title? Princess in Waiting is the fourth book in the beloved, bestselling series that inspired the feature film starring Anne Hathaway and Julie Andrews.
