British Empire | Origins, Countries, History, & Facts ... The British Library Sound Archive holds the work of our recordings unit from the 1940s onwards, and the recordings of a staff oral history project. The British Film Institute (BFI)

holds a collection of films produced and sponsored by us in the 1930s and 1940s. These are available to watch on the British Council Film website. Our British history | British Council British English is the standard dialect of the English language as spoken and written in the United Kingdom. Variations exist in formal, written English in the United Kingdom. For example, the adjective wee

is almost exclusively used in parts of Scotland, North East England, Ireland, and occasionally Yorkshire, whereas little is predominant elsewhere. British English - Wikipedia Queen Elizabeth II became Queen of the United Kingdom and Head of the Commonwealth on 6th February 1952. She is head of the British Royal Family, has 4 children, 8 grandchildren and 8 great-grandchildren,

and is 94 years, 6 months, and 12 days old.. She is the 32nd great-granddaughter of King Alfred the Great who was the first effective King of England 871-899. British Royal Family History The Commonwealth is one of the world's oldest political associations of states. Its roots go back to the British Empire, when countries around the world were ruled by Britain. The early Commonwealth

Over time different countries of the British Empire gained different levels of freedom from Britain. Semi-independent countries were called Dominions. Our history | The Commonwealth Throughout history, ale and beer have always formed a part of the staple British diet, the brewing process itself making it a much safer option than drinking the water of the times. Although both coffee and tea

were introduced into Britain around the mid-1600s, their prohibitive prices ensured that they remained the preserve of the rich and famous.
