This illuminating guide lays out who the archangels are and how you can start working with them for protection, guidance, and wisdom. Drawing from multiple religions, bestselling author Richard Webster provides detailed descriptions of the four major archangels--Michael, Raphael, Gabriel, and Uriel--as well as numerous lesser-known angels who are rarely featured in other books. Richard's straightforward explanations shine throughout this book, helping you discover which divine messengers to contact and how simple meditations and rituals can help you establish those connections. Comprehensive lists make it easy to find angelic correspondences to Zodiac signs, essential oils, chakras, months, and more. Archangels surround you with love, and these spiritual beings of pure light can help you reach your goals, find your life's purpose, and live in peace and harmony with others.

[A Cry of Angels](#) Oxford University Press

"An authentic cry of American innocence . . . The author seizes the reader with a Southern gift for storytelling and never lets go."—Time Magazine It is the mid-1950s in Quarrytown, Georgia. In the slum known as the Ape Yard, hope's last refuge is a boardinghouse where a handful of residents dream of a better life. Earl Whitaker, who is white, and Tio Grant, who is black, are both teenagers, both orphans, and best friends. In the same house live two of the most important adults in the boys' lives: Em Jojohn, the gigantic Lumbee Indian handyman, is notorious for his binges, his rat-catching prowess, and his mysterious departures from town. Jayell Crooms, a gifted but rebellious architect, is stuck in a loveless marriage to a conventional woman intent on climbing the social ladder. Crooms's vision of a new Ape Yard, rebuilt by its own residents, unites the four—and puts them on a collision course with a small-town Machiavelli who rules the community like a feudal lord. Jeff Fields's exuberantly defined characters and his firmly rooted sense of place have earned *A Cry of Angels* an intensely loyal following. Its republication, more than three decades since it first appeared, is cause for celebration. "A humdinger . . . even better than *To Kill a Mockingbird* . . . funny, touching, and gripping."—Chicago Daily News "Heartwarming . . . We find ourselves wondering why delightful novels like this aren't written anymore, and

grateful that this one has come along to fill the void."—The New York Times "A flooded-with-life novel with a story to tell and characters to be cherished."—Boston Sunday Globe

This is no ordinary reprint of common magic squares found in Agrippa's Three Books of Occult Philosophy. Not even close! This Occult Encyclopedia contains hundreds of new magical squares based on secret esoteric techniques developed by master sages of the ancient Near East. Did you know that there are four forms of each magic square corresponding with each of the Elements? Did you know that from each square you can extract up to 8 Angels and 8 Genies that are specific to THAT square? Did you know there is a secret mathematical code embedded in all magic squares? There is much more to the art of magic squares than even the most seasoned modern-day ceremonial magician is aware of. The Occult Encyclopedia of Magical Squares contains information that will make a difference in how you approach talismanic magic. It also contains hundreds of ready and finished squares for: Archangels and Angels of the Zodiac Archangels and Angels of the Planets Planetary Intelligences and Spirits Olympic Spirits Lords of Zodiacal Triplicities by Day and Night Angels Ruling the 12 Houses Angels of Astrological Decanates and Quinances You will get hundreds of magic squares to facilitate the evocation and aid of over 200 spiritual beings. This book is a must-have for serious seekers, no matter which magical tradition you follow.
