### **Presumed Guilty** Zondervan

Within weeks of leaving office, Mulroney was paid at least \$225,000 in cash by Karlheinz Schreiber, an international arms dealer wanted in Germany for bribery and tax evasion. When confronted by Kaplan about the unexplained payment, Mulroney vehemently denied any wrongdoing: "Anyone who says anything about [the money] will be in for one fuck of a fight." At the root of Kaplan's investigation is a secret trial and its stunning revelations - information that nearly escaped public attention. Only now, years later, is the former prime minister facing a public inquiry that threatens to permanently derail his reputation.

Presumed Guilty Yale University Press

Book #2 of The Genesis Trilogy. This special reissue of a classic work of spirituality from the author of *A Wrinkle in Time* offers life-transforming insights on the rich heritage of the Bible and shows how the characters of this ancient text are relevant for living the good life now. Includes a new reader's guide. In this book for the curious, spiritual seeker, Madeleine L'Engle offers relevant lessons drawn from the life of Jacob from the Old Testament. Here, the son of Isaac becomes a spiritual companion to L'Engle, equipping her to deal with earthly and psychological struggles. Throughout her journey, L'Engle offers contemporary answers to questions that burden modern day readers and believers. With her customary fearlessness and candor, she broaches such topics as the significance of angels, redemption, sexual identity, forgiveness, and the seemingly constant conflict between good and evil. Madeleine L'Engle possesses the same ambidextrous skill of storytelling as other literary giants, including C. S. Lewis and George MacDonald. Her fictional stories appeal to generations of readers, and are equally embraced in both the secular and religious markets. But, it is her ability in her nonfiction to engage with the historical text of the Bible through a dynamic unpacking of protagonists, antagonists, and matters of faith that establishes the Genesis Trilogy as a highly treasured

collection of spiritual writings. *A Stone for a Pillow* acts as a compass for those traveling through the tumultuous landscape of faith in our cynical and divisive modern culture.

Contempt University of Pennsylvania Press

Twenty years after the Starr Report and the Clinton impeachment, former special prosecutor Ken Starr finally shares his definitive account of one of the most divisive periods in American history. You could fill a library with books about the scandals of the Clinton administration, which eventually led to President Clinton's impeachment by the House of Representatives. Bill and Hillary Clinton have told their version of events, as have various journalists and participants. Whenever liberals recall those years, they usually depict independent counsel Ken Starr as an out-of-control, politically driven prosecutor. But as a New York Times columnist asked in 2017, "What if Ken Starr was right?" What if the popular media in the 1990s completely misunderstood Starr's motives, his tactics, and his ultimate goal: to ensure that no one, especially not the president of the United States, is above the law? Starr -- the man at the eye of the hurricane -- has kept his unique perspective to himself for two full decades. In this long-awaited memoir, he finally sheds light on everything he couldn't tell us during the Clinton years, even in his carefully detailed "Starr Report" of September 1998. *Contempt* puts you, the reader, into the shoes of Starr and his team as they tackle the many scandals of that era, from Whitewater to Vince Foster's death to Travelgate to Monica Lewinsky. Starr explains in vivid detail how all those scandals shared a common thread: the Clintons' contempt for our system of justice. This book proves that Bill and Hillary Clinton weren't victims of a so-called "vast right-wing conspiracy." They played fast and loose with the law and abused their powers and privileges. Today, from the #MeToo aftermath and Russiagate to President Trump's impeachment trial, the office of the American presidency is in crisis—and Starr's insights are more relevant now than ever.

The Weekly Reporter McGill-Queen's Press - MQUP

The Holy Office of the Inquisition (a royal tribunal that addressed issues of heresy and offenses to morality) was established in Peru in 1570 and operated there until 1820. In this book, Ana E.

Schaposchnik provides a deeply researched history of the Inquisition's Lima Tribunal, focusing in particular on the cases of persons put under trial for crypto-Judaism in Lima during the 1600s. Delving deeply into the records of the Lima Tribunal, Schaposchnik brings to light the experiences and perspectives of the prisoners in the cells and torture chambers, as well as the regulations and institutional procedures of the inquisitors. She looks closely at how the lives of the accused—and in some cases the circumstances of their deaths—were shaped by actions of the Inquisition on both sides of the Atlantic. She explores the prisoners' lives before and after their incarcerations and reveals the variety and character of prisoners' religiosity, as portrayed in the Inquisition's own sources. She also uncovers individual and collective strategies of the prisoners and their supporters to stall trials, confuse tribunal members, and attempt to ameliorate or at least delay the most extreme effects of the trial of faith. The Lima Inquisition also includes a detailed analysis of the 1639 Auto General de Fe ceremony of public penance and execution, tracing the agendas of individual inquisitors, the transition that occurred when punishment and surveillance were brought out of hidden dungeons and into public spaces, and the exposure of the condemned and their plight to an avid and awestricken audience. Schaposchnik contends that the Lima Tribunal's goal, more than volume or frequency in punishing heretics, was to discipline and shape culture in Peru.

*Presumed Guilty* MIRA

*Presumed guilty*: Dallas Hamilton's perfect world is torn apart when her husband, a rising superstar in the evangelical world, is arrested for the murder of a porn star.

Keeping Faith with the Party Biteback Publishing

Journalist Bret Christian has covered his share of murder stories in his time as a newsman. In his search to understand and report on these acts of evil he discovered something equally malignant at the heart of our society: the vast cache of examples of e  
*PRESUMED GUILTY* Fortress Press

This volume investigates how mothers can understand parenting as spiritual practice, and what this practice means for theological scholarship. An intergenerational and intercultural group of

mother-scholars explores these questions that arise at the intersection of motherhood studies, religious practice, pastoral care, and theology through engaging and accessible essays. Essays include both narrative and theological elements, as authors draw on personal reflection, interviews, and/or sociological studies to write about the theological implications of parenting practice, rethink key concepts in theology, and contribute to a more robust account of parenting as spiritual practice from various theological perspectives. The volume both challenges oppressive, religious images of self-sacrificing motherhood and considers the spiritual dimensions of mothering that contribute to women's empowerment and well-being. It also deepens practical and systematic theologies to include concern for the embodied and everyday challenges and joys of motherhood as it is experienced and practiced in diverse contexts of privilege and marginalization.

*The Spanish Inquisition* Routledge

On 18 December 2012, Simon Warr's life was changed irrevocably. A respected boarding school teacher, described by his peers as 'one of the outstanding schoolmasters of his generation', Warr was arrested following an allegation of historical child abuse. The complainant was a former pupil at a school where Warr had taught over thirty years previously. Although horrified by the claim, Warr was confident that without conclusive evidence the case would be dropped immediately. Instead, he spent an agonising 672 days on bail, waiting first to be charged and then for the case to go to trial. It took a jury less than forty minutes to acquit Warr unanimously on all charges. But despite being exonerated by the court, the damage to his reputation was irreversible. And while he struggled to cope in the devastating aftermath of the false accusations levelled against him, his complainants walked away with impunity, under a permanent cloak of anonymity. *Presumed Guilty* is a harrowing true story that examines our flawed justice system and an impassioned plea for us to reconsider the way our police handle cases of alleged historical child abuse, to protect innocent people against further false claims.

Describes the handling of the JonBenet Ramsey murder case by the police and the media

*Presumed Guilty* Harlequin

Tomson has written an accessible, responsible analysis of the biblical accounts of Jesus' death, demonstrating how, through compounded misunderstandings, they contributed to anti-Jewish sentiment in the early church and later history.

**The Weekly Reporter** Indiana University Press

Nanci Adler's probing investigation brings a deeper understanding of the dynamics of Soviet Communism and of how individuals survive within repressive regimes while the repressive regimes survive within them.

**Secret Trial** Hardie Grant Publishing

New York Times bestseller *Presumed Guilty* exposes shocking, never-before revealed, exclusive information from the trial of the century and the verdict that shocked the nation. When Caylee Anthony was reported missing in Orlando, Florida, in July 2008, the public spent the next three years following the investigation and the eventual trial of her mother, Casey Anthony. On July 5, 2011, the case that captured headlines worldwide exploded when, against all odds, defense attorney Jose Baez delivered one of the biggest legal upsets in American history: a not-guilty verdict. In this tell-all, Baez shares secrets the defense knew but has not disclosed to anyone until now and frankly reveals his experiences throughout the entire case—discovering the evidence, meeting Casey Anthony for the first time, being with George and Cindy Anthony day after day, leading defense strategy meetings, and spending weeks in the judge's chambers. *Presumed Guilty* shows how Baez, a struggling, high-school dropout, became one of the nation's most high-profile defense attorneys through his tireless efforts to seek justice for one of the country's most vilified murder suspects.

*Price Discrimination Legislation--1972* Westminster John Knox Press

A Pentecostal bishop and gospel recording artist draws on biblical scripture to argue that the controlling dogmas of religion have caused many of the world's ills, that a loving God does not condemn individuals to Hell, and that we should have the same attitude, in a controversial, provocative study that calls for an end to conflict and division along religious lines.

**The Lima Inquisition** New Millenium

In *Presumed Guilty: Facing Life Plus Eighty Years*, author Robert I. Anderson Jr. shares with readers his unforgettable tale of navigating our nation's justice system. A man of faith, Anderson

describes to readers what it was like to learn to lean on God during great hardships and unfortunate circumstances—because He will deliver. This is a story of how a hard-working American citizen—with no criminal record—can be caught up in the maze and never-ending tunnels of the American law. Charged with multiple felony charges that carried with them a life plus an eighty-year sentence, Anderson was—and is—not the person the media and the prosecution portrayed him to be. Unbelievable in its impossibility, *Presumed Guilty* tells us just how a law-abiding citizen can suffer great consequences simply for being in the wrong place at the wrong time. Anderson had to fight to prove his innocence—and fight for his life. Through it all, however, God was there. Anderson's faith in God brought deliverance and freedom—and it cleared his name.

*Psalms: Folk Songs of Faith* Prometheus Books

A look at the brutal and unnecessary battering of motorist Rodney King at the hands of cops from the notorious Los Angeles Police Department describes the injustice of the trial of the cops and its violent aftermath.

**Passing on the Faith** Convergent Books

The knowledge of truths, unlike the knowledge of things, has an opposite, namely error. So far as things are concerned, we may know them or not know them, but there is no positive state of mind which can be described as erroneous knowledge of things, so long, at any rate, as we confine ourselves to knowledge by acquaintance.

*Truth Is Law, Faith Is Flaw* Gateway Books

This book explores philosophical questions that have important implications for the truth and rationality of the Christian faith.

*Presumed Guilty* Zondervan

From the beginning, the Abrahamic faiths—Judaism, Christianity, and Islam—have stressed the importance of transmitting religious identity from one generation to the next. Today, that sustaining mission has never been more challenged. Will young people have a faith to guide them? How can faith traditions anchor religious attachments in this secular, skeptical culture? The fruit of a historic gathering of scholars and religious leaders across three faiths and many disciplines, this important book reports on the religious lives of young people in today's world. It's also a unique inventory of creative and thoughtful responses from churches, synagogues, and mosques working to keep religion a significant

force in those lives. The essays are grouped thematically. Opening the book, Melchor Sanchez de Toca and Nancy Ammerman explore fundamental issues that have an impact on religion--from the cultural effects of global consumerism and personal technology to pluralism and individualism. In Part Two, leading investigators present three leading studies of religiosity among young people and college students in the United States, illuminating the gap between personal values and organized religion--and the emergence of new, different forms of spirituality and faith. How religious institutions deal with these challenges forms the heart of the book--in portraits of "best practices" developed to revitalize traditional institutions, from a synagogue in New York City and a Muslim youth camp in California to the famed French Catholic community of the late Brother John of Taizé. Finally, Jack Miles and Diane Winston weave the findings into a broader perspective of the future of religious belief, practice, and feeling in a changing world. Filled with real-world wisdom, *Passing the Faith* will be an essential resource for anyone seeking to understand what religions must, and can, do to inspire a vigorous faith in the next generation.

#### The Cowboy's Faith Harper Collins

All of us should condemn terrorism--whether the perpetrators are Muslim extremists, white supremacists, Marxist revolutionaries, or our own government. But it's time for us to stop asking Muslims to condemn terrorism under the assumption they are guilty of harboring terrorist sympathies or promoting violence until they prove otherwise. Renowned expert on Islamophobia Todd Green shows us how this line of questioning is riddled with false assumptions that say much more about "us" than "them." Green offers three compelling reasons why we should stop asking Muslims to condemn terrorism: 1) The question wrongly assumes Islam is the driving force behind terrorism 2) The question ignores the many ways Muslims already condemn terrorism. 3) The question diverts attention from unjust Western violence. This book is an invitation for self-examination when it comes to the questions we ask of Muslims and ourselves about violence. It will open the door to asking better questions of our Muslim neighbors, questions based not on the presumption of guilt but on the promise of friendship.

#### A Stone for a Pillow Springer

Murder, betrayal, and a trial that feeds a media frenzy. Can one woman stand against the forces that threaten to tear her family apart? Pastor Ron Hamilton's star is rising. His 8,000-strong church is thriving. His good looks and charisma make him an exceptional speaker on family values. And his book on pornography in the church has become an unexpected bestseller. Everything is perfect. Until a young woman's body is discovered in a seedy motel room. The woman is a porn star. And all the evidence in the murder points to one man: Ron. With the noose tightening around her husband's neck, Dallas Hamilton faces a choice: believe the seemingly irrefutable facts—or the voice of her heart. The press has already reached its verdict, and the public echoes it. But Dallas is determined to do whatever it takes to find the truth. And then a dark secret from Dallas's past threatens to take them all down. As the clock ticks toward Ron's conviction and imprisonment, and an underworld of evil encircles her, Dallas must gather all her trust in God to discover what really happened in that motel room . . . even if it means losing faith in her husband forever.
