Biblical Manhood Navpress Publishing Group

As followers of Jesus, we are called to draw ever closer to our Savior. One path to the Way of Love is through seven key actions: Turn. Learn. Pray. Worship. Bless. Go. Rest. Includes questions, journal prompts, a guide for a personal rule of life.

British Librarian; Or, Book-collector's Guide ... Thomas Nelson

This up-to-date, highly selective bibliography is designed to acquaint students and ministers with major works, significant publishers and prominent scholars in biblical studies. It is the perfect guide for beginning a research project or building a ministerial library. References are included based on the following considerations: (1) usefulness for the theological interpretation of the Bible within the context of the faith of the church; (2) significance in the history of interpretation; and (3) representation of evangelical and especially evangelical Wesleyan scholarship.

**The Freedom Challenge** Routledge

With advice on parenting coming from several angles, what do you listen to and what do you ignore? Develop your own biblical philosophy of parenting and use it to filter the many ideas that come your way. In this book you'll learn how to: Identify character qualities to address problems Build internal motivation Transfer responsibility for change to the child Teach kids to be solvers instead of whiners Use creativity to teach your kids spiritual truths Avoid the "boxing ring" Envision a positive future And much more! With these strategies you'll be able to move from behavior modification to a heart-based approach to parenting. Instead of relying on rewards, incentives, threats, and punishment, you'll learn how to identify heart lessons to teach your child and implement them in practical ways. *The Christian Parenting Handbook* by Dr. Scott Turansky and Joanne Miller, founders of the National Center for Biblical Parenting, compiles fifty parenting principles that use heart-based strategies to teach you how to face daily challenges. When parents focus on the heart, kids learn to ask different questions about life. Instead of asking, "What's in it for me?" they learn to ask, "What's the right thing to do?" You'll soon see how a heart-based approach to parenting looks deeper and brings about greater, lasting change. The daily interaction you have with your children can impact them for the rest of their lives. With these fifty heart-based strategies, you'll develop your own biblical philosophy of parenting and gain perspective, greater motivation, and confidence that you're moving in the right direction. As you envision a positive future for your children, they'll experience hope and direction and you will too. Start applying these principles today!

Scripture and the Wesleyan Way Leader Guide Common Ground

Threshold Bible Study is a thematic Scripture series designed for both personal study and group discussion. The thirty lessons in each study may be used by an individual for daily study over the course of a month or they may be divided into six lessons per week, providing a group study of six weekly sessions. Through the spiritual disciplines of Scripture reading, study, reflection,

conversation, and prayer, readers will cross the threshold to a more abundant dwelling with God. ideal for bible study groups, small Christian communities, parish leadership teams, adult faith formation, student Scripture-study groups, RCIA teams, and individual learning. About Pilgrimage in the Footsteps of Jesus Because Jesus entered our world in the human condition, our faith has deep roots in the physical places where he was born, walked and talked, laughed and wept, where he suffered, died, and rose again. Though a bodily pilgrimage unites these hallowed places with the sacred texts associated with the life of Jesus. This geography of salvation can fill out the written gospels with tangible reality. Here we can imagine Jesus with his disciples along the lake, teaching on the mountainside, praying in the garden, and dying in the cross.

**The Force of Truth** Crossway

Issues of homosexuality are the subject of public and political controversy in many African societies today. Frequently, these controversies receive widespread attention both locally and globally, such as with the Anti-Homosexuality Bill in Uganda. In the international media, these cases tend to be presented as revealing a deeply-rooted homophobia in Africa fuelled by religious and cultural traditions. But so far little energy is expended in understanding these controversies in all their complexity and the critical role religion plays in them. Complementing the companion volume, *Public Religion and the Politics of Homosexuality in Africa*, this book investigates Christian politics and discourses on homosexuality in sub-Saharan Africa. The contributors present case studies from various African countries, from Nigeria to South Africa and from Cameroon to Uganda, focusing on Pentecostal, Catholic and mainline Protestant churches. They critically examine popular Christian theologies that perpetuate homophobia and discrimination, but they also discuss contestations of such discourses and emerging alternative Christian perspectives that contribute to the recognition of sexual diversity, social justice and human rights in contemporary Africa.

How to Read Your Way to Heaven Baker Books

This teachers guide for *The Exemplary Husband* is a chapter by chapter question and answer guide for anyone leading a class on *The Exemplary Husband*. The overall purpose of *The Exemplary Husband* book is to assist husbands toward purposeful and lasting Christlikeness for the glory of God. It was written to be a companion book for *The Excellent Wife* by Martha Peace. Couples who commit to the biblical principles presented in these books will find a oneness in marriage that will give God glory and bring His blessings.

*The Christian Parenting Handbook* Crossway

For centuries God promised to give the land of Canaan to the family of Abraham. With the seasoned commander Joshua as His general, the Lord leads His army to take possession of its inheritance. This Bible study on the book of Joshua examines the unforgettable lessons God taught His people about Himself and what it means to be a citizen of His Kingdom. • Personal study between meetings • 16 sessions • Includes study aids and discussion questions

**Joshua** Abingdon Press

The *Knowing the Bible* series is a resource designed to help Bible readers better understand and

apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The letter to the Ephesians is a source of great encouragement, clearly proclaiming the mystery of the gospel and the supremacy of Jesus while applying that theology to practical living. Made alive in Christ, believers have received a bountiful inheritance and lavish blessings from God, fueling us for holy living. In this study, Eric Redmond opens our eyes to Paul's teaching about God's astonishing grace—grace that enables us to walk in love, holiness, and wisdom as we become imitators of Christ.

To Bare Witness to the Truth Sophia Institute Press

The Bible was central to John Wesley's faith and the Christian movement he founded. In Scripture and the Wesleyan Way, you will discover a Wesleyan approach to the Bible and the Christian life through a Bible study using Wesley's own words. In this study, authors Scott and Arthur Jones use John Wesley's sermons to illuminate the Bible passages at the heart of Wesley's understanding of what it means to be a real Christian. Each chapter explores a key Scripture text and one of Wesley's sermons on it. Through their insightful and engaging study, Bishop Jones and his son Arthur show how the teachings of Wesley address questions that many of us in the twenty-first century still struggle with today. The Leader Guide contains everything needed to guide a group through the eight-week study including session plans, activities, and discussion questions, as well as multiple format options.

The field of youth ministry is often driven by fads and trends as leaders attempt to reach students by chasing the ever-changing tides of teenage culture. This short-sighted, though often sincere, approach not only produces superficial and misguided disciples, it leaves youth leaders and parents drained and disappointed by the lack of authentic spiritual transformation despite their heartfelt and painstaking efforts. Student Ministry by the Book addresses these and other common missteps by providing a concise, yet thorough, Biblical philosophy and practical guide for youth ministry. By establishing a spiritual perspective of a student's identity and exploring the Scriptural precedent for student ministry, the authors refute the culture's view of teenagers that often sabotages the church's approach to discipling them. In addition, this book provides youth leaders and parents with an accessible resource full of useful insights to reach the families of teens, build relationships with students, integrate them within the church, and recruit workers as effective partners in ministry. It also offers helpful direction in leading youth in the process of spiritual formation and grounding them

in the foundational truths of the faith. Student pastors, youth leaders, and parents of teens will all benefit from this thoroughly biblical and practical approach designed as a handbook for starting, strengthening, and sustaining a youth ministry in the local church.

*Counseling the Hard Cases* HarperChristian Resources

Catholics are often reluctant to begin reading the Bible, this is for various reasons. Perhaps we hang on to the notion that the Bible is a book meant for display, for recording the dates of family members' births, baptisms, marriages, and deaths. Or perhaps we once attempted to read the Bible and discovered there a culture entirely different from ours and came to the conclusion that the Bible had nothing relevant to say to us in this place and time. Attentive to these and the many other reasons Catholics might give for not reading Scripture, Stephen Binz offers practical explanations that will make the Bible less foreign and more familiar. Introduction to the Bible allows readers to discover how the Bible came to be, how to choose a Bible translation, how to interpret the Bible within Catholic tradition, and how to benefit the most from Bible study. Readers will find practical explanations that will make the Bible less foreign and more familiar. Stephen J. Binz is a Catholic biblical scholar, speaker, and counselor. He did graduate studies at the Pontifical Biblical Institute in Rome and is a member of the Catholic Biblical Association and the Society of Biblical Literature. Binz is the author of numerous books on the Bible, including *The Passion and Resurrection Narratives of Jesus* and *The God of Freedom and Life*, both published by Liturgical Press.

*Student Ministry by the Book* Acta Publications

How do we overcome what we are being overcome by--whether depression, anxiety, overeating, a negative view of ourselves or any other stronghold--in order to experience the freedom that is available to us in Christ? When the pressures of life become overwhelming, we often find ourselves turning to food, shopping, alcohol, television or whatever our "counterfeit" might be in search of the relief, release and peace we are longing for. These choices are not necessarily bad, but the satisfaction is merely temporary. Before we know it, we can find ourselves enslaved by addictive and destructive behaviors, but there is a way out. With grace and warmth, author Robia Scott shows how true healing and lasting satisfaction can be found only as we learn to transfer our dependence from counterfeit comforts onto our one true Comforter: the Holy Spirit. Drawing from the experience of battling her own counterfeits--primarily her tumultuous relationship with food and obsession with dieting, weight and body image--Robia leads you step by step through the process of transformation. It is through learning how to experience and connect with the Person, the presence and the power of God that we discover who we truly are, and acquire freedom to live the life of purpose that we were created for.

**Pilgrimage in the Footsteps of Jesus** Servant Books

How do I get more out of my Bible reading? What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to: See the big-picture storyline of the Bible Understand the theology of the Old and New Testaments Read the different sections of Scripture effectively Know what happened between the testaments In addition to essays on each genre of the

Bible, the book addresses the general Greco-Roman world and specific Jewish groups at the time of the New Testament. To aid in putting Bible passages in context, it also includes timelines of the Old and New Testaments and intertestamental events. Useful as both a general overview of the Bible and as a tool for more specific reference and training, this book will help you grow in your understanding of Scripture and your ability to apply the Bible to life.

**Help Your Kids Learn and Love the Bible** Crossway

Threshold Bible Study is a thematic Scripture series designed for both personal study and group discussion. The thirty lessons in each study may be used by an individual for daily study over the course of a month or they may be divided into six lessons per week, providing a group study of six weekly sessions. Through the spiritual disciplines of Scripture reading, study, reflection, conversation, and prayer, readers will cross the threshold to a more abundant dwelling with God. Ideal for Bible study groups, small Christian communities, parish leadership teams, adult faith formation, student Scripture-study groups, RCIA teams, catechumens and candidates, catechists and teachers. "The people who walked in darkness have seen a great light" (Is 9:2). Advent is a time for new understanding, for putting different pieces of God's revelation together so as to see the divine plan more clearly. We listen to the words of the ancient prophets, to the wisdom of Jesus, to the stories of his birth and infancy, and we make connections. Then we connect those truths to our own lives and our world and see how God is acting anew, how God continues to reveal the coming of Jesus today. Our best model for this Advent search for understanding is Mary of Nazareth. By making connections between the ancient and the new, between her people Israel and her own life, Mary grew in understanding of God's plan and responded to God's will with her acceptance: "Let it be with me according to your word" (LK 1:38).

**Introduction to the Bible** WestBow Press

As parents, we deeply desire the best for our kids. We look for the right preschool, teach them to read, and get them involved in extracurriculars. We take our job as parents seriously. But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not only doable, it's an essential part of parenting kids for Jesus. And the good news is studying God's Word as a family doesn't have to be hard or overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears, give you a crash course in what the Bible is all about and how to teach it, and provide the tools and techniques to set up a family Bible-study habit. You will finish this book feeling encouraged and empowered to initiate and strengthen your child's relationship with the Lord through his Word.

Genesis to Jesus Twenty-Third Publications

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) Reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout each book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke's book is more than just history; it's also a rich source of life-giving theology, revealing Jesus's identity as Israel's long-awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke's Gospel, helping Christians see that Jesus is not simply a great teacher but the great Savior.

*Understanding the Big Picture of the Bible* Zondervan

In this six-session video Bible study, author and Bible teacher Lisa Whittle challenges us to put Jesus over everything by helping women learn the tools to break damaging thought patterns, gain insight into everyday issues and responses, and have a clear understanding of how much better life is when God is the priority.

Christianity and Controversies over Homosexuality in Contemporary Africa B&H Publishing Group
