So you think you're a Buddhist? Think again. Tibetan Buddhist master Dzongsar Jamyang Khyentse, one of the most creative and innovative lamas teaching today, throws down the gauntlet to the Buddhist world, challenging common misconceptions, stereotypes, and fantasies. With wit and irony, Khyentse urges readers to move beyond the superficial trappings of Buddhism—beyond the romance with beads, incense, or exotic robes—straight to the heart of what the Buddha taught.

A Hedonist Manifesto Rowman & Littlefield

Nichiren Daishonin Buddhism encourages the belief that, through its faith and practices, spiritual and material blessings and benefits can be available to everyone in this life. Needs can be met, and success achieved, not merely for oneself but for others (and the world) through dedication to the Lotus Sutra, a central teaching of Buddhism. It combines these personal objectives with the commitment to world peace, ecology and the easing of suffering, especially, AIDS. Attracting such well known followers as Jeff Banks, Sandie Shaw, Tina Turner and Roberto Baggio, Nichiren Daishonin Buddhism is rooted in a Buddhist tradition going back to the teachings of Nichiren in the 13th century, and is part of an international movement based in Japan.

*Rant* Pantheon

Biology of Aging, Second Edition presents the biological principles

that have led to a new understanding of the causes of aging and describes how these basic principles help one to understand the human experience of biological aging, longevity, and age-related disease. Intended for undergraduate biology students, it describes how the rate of biological aging is measured; explores the mechanisms underlying cellular aging; discusses the genetic pathways that affect longevity in various organisms; outlines the normal age-related changes and the functional decline that occurs in physiological systems over the lifespan; and considers the implications of modulating the rate of aging and longevity. The book also includes end-of-chapter discussion questions to help students assess their knowledge of the material. Roger McDonald received his Ph.D. from the University of Southern California and is Professor Emeritus in the Department of Nutrition at the University of California, Davis. Dr. McDonald's research focused on mechanisms of cellular aging and the interaction between nutrition and aging. His research addressed two key topics in the field: the relationship between dietary restriction and lifespan, and the effect of aging on circadian rhythms and hypothalamic regulation. You can contact Dr. McDonald at [rbcmdonald@ucdavis.edu](mailto:rbcmdonald@ucdavis.edu). Related Titles Ahmad, S. I., ed. Aging: Exploring a Complex Phenomenon (ISBN 978-1-1381-9697-1) Moody, H. **Fight Club 2 (Graphic Novel)** Hachette UK

Michael Onfray passionately defends the potential of hedonism to resolve the dislocations and disconnections of our melancholy age. In a sweeping survey of history's engagement with and

rejection of the body, he exposes the sterile conventions that prevent us from realizing a more immediate, ethical, and embodied life. He then lays the groundwork for both a radical and constructive politics of the body that adds to debates over morality, equality, sexual relations, and social engagement, demonstrating how philosophy, and not just modern scientism, can contribute to a humanistic ethics. Onfray attacks Platonic idealism and its manifestation in Judaic, Christian, and Islamic belief. He warns of the lure of attachment to the purportedly eternal, immutable truths of idealism, which detracts from the immediacy of the world and our bodily existence. Insisting that philosophy is a practice that operates in a real, material space, Onfray enlists Epicurus and Democritus to undermine idealist and theological metaphysics; Nietzsche, Bentham, and Mill to dismantle idealist ethics; and Palante and Bourdieu to collapse crypto-fascist neoliberalism. In their place, he constructs a positive, hedonistic ethics that enlarges on the work of the New Atheists to promote a joyful approach to our lives in this, our only, world.

**Auberon** Routledge

Travel, Collecting, and Museums of Asian Art in Nineteenth-Century Paris examines a history of contact between modern Europe and East Asia through three collectors: Henri Cernuschi, Emile Guimet, and Edmond de Goncourt. Drawing on a wealth of material including European travelogues of the East and Asian reports of the West, Ting Chang explores the politics of mobility and cross-cultural encounter in the nineteenth century. This book takes a new approach to museum studies and institutional critique by highlighting what is missing from the existing

Dying was the best career move Jeff Dahmer and John Wayne Gacy ever made. . . . The way Rant Casey used to say it: Folks build a reputation by attacking you while you're alive-or praising you after you ain't.

Early Chinese Religion, Part Two: The Period of Division (220-589 AD) (2 vols.) Monarch Books

Ed est dans une tres mauvaise passe: au boulot, dans sa vie amoureuse, bref, de maniere generale. Jusqu'a ce qu'il rencontre Geoff, un bouddhiste hors normes qui boit, fume et sait trouver les mots qui font mouche. Petit a petit, les choses commencent a changer... Ed ne suit pas toujours les conseils de Geoff. Ou plutot, quand il le fait, il omet quelques points cruciaux au mauvais moment. Son chemin vers la comprehension est plutot tortueux, d'autant que la vie s'obstine a lui envoyer des tests. Des tests qu'il rate souvent... comme la plupart d'entre nous, en somme. Mais parfois, il les passe. Et quand ca se produit, des choses surprenantes commencent a arriver... Edward Canfor-Dumas est un scenariste de television, dont le travail a ete plusieurs fois recompense. Apres des debuts dans la comedie, il a aborde des styles plus serieux. Avec Bouddha, Geoff et moi, il condense tout son talent et nous offre une histoire londonienne a la fois drole, emouvante et pleine de hauts et de bas... a la facon bouddhiste ! Bouddha, Geoff et moi touchera tous ceux qui, un jour, ont commence a se demander comment ca marche, ce fichu truc

qu'on appelle la vie..."

### **From Buddha to Jesus** Routledge

Focused on the social dimensions of Chinese religion, this multi-disciplinary presentation of Buddhism, Daoism, Confucianism, and shamanism in a time of foundational historic change analyzes their respective pantheons, rituals, geographies, organizations, canons, literature, and recent archaeological discoveries.

*Mr. Muo's Travelling Couch* Taylor Trade Publishing

Issued in 2 parts: pt.1 Auteurs and pt. 2 Titres.

### **Silver Surfer** CUP Archive

Published on the 40th anniversary of the World Heritage Convention, this thematic collection of case studies provides a thorough understanding of World Heritage sites and their Outstanding Universal Value in the context of sustainable development. The case studies describe twenty-six thematically, typologically and regionally diverse World Heritage sites illustrating their benefits to local communities and ecosystems and sharing the lessons learned with the diverse range of stakeholders involved. The volume emphasises a holistic and integrated view of World Heritage, linking it to the role local communities play in management and protection, and to issues of ecosystem sustainability, and the maintenance of biological, linguistic and cultural diversity. Cross-disciplinary in its scope, this book will provide a meeting point for researchers, practitioners, community representatives and the wider public and will promote cultural and natural heritage conservation as a key vector of sustainable development and social cohesion.

Press

Edwards's biography presents a complete picture of the late actress—and not just the boozing, drug-addicted caricature of a woman central to lesser biographies. We learn, for example, that Garland saw it as her duty to provide for her family financially, a generosity that her mother Ethel exploited with disastrous results. Above all, Judy Garland sought to please, whether it was an audience or a studio head, and therein lies her powerful and heartbreaking story.

**Vietnamese Tradition on Trial, 1920-1945** Shambhala Publications

In a forgotten part of Middle America, a defiant act leaves one man dead and one teenage girl faced with a stark decision that could mean losing everything. Amy Wirkner, a high school senior in Barnesville, Ohio, is a loner, nicknamed "Chevy" for her size. She's smart, funny, and absolutely determined to escape from her small town in the Ohio Valley, a place poisoned by fracking. She does well in school despite the cruelty of her classmates and has her eyes on a college scholarship, so she can one day become a veterinarian and make something of herself. But even as she tries to keep her head down and stay out of trouble, trouble seems to find her. Believing toxic water has poisoned her family, Amy one night becomes involved in an act of ecoterrorism against a local fracking company that goes terribly wrong. Her oldest friend Paul, as angry and defiant as she is, has drawn her into this dark world—and now a man is dead as a result. But Amy can't—won't—let one night's mistake stand in the way of her plans. Touching on important topics as wide-ranging as ethnic hatred, police corruption, environmental decay, and gun violence,

Lady Chevy is one girl's story that highlights the darkest parts of modern America with surprising results.

**What the Buddha Thought** BRILL

Devoted to the study of societies of South, Southeast and East Asia, this book follows the creation and development of the Ecole Francaise d'Extr?-me-Orient (EFEO).

A novella set in the universe of James S. A. Corey's NYT-bestselling *Expanse* series, *Auberon* explores a new and alien world and the age-old dangers that humanity has carried with it to the stars. Now a Prime Original series. This story will be available in the complete *Expanse* story collection, *Memory's Legion*. Hugo Award Winner for Best Series *Auberon* is one of the first and most important colony worlds in humanity's reach, and the new conquering faction has come to claim it. Governor Rittenaur has come to bring civilization and order to the far outpost and guarantee the wealth and power of the Empire. But *Auberon* already has its own history, a complex culture, and a criminal kingpin named Erich with very different plans. In a world of deceit, violence, and corruption, the greatest danger Rittenaur faces is love. *The Expanse Leviathan Wakes Caliban's War Abaddon's Gate Cibola Burn Nemesis Games Babylon's Ashes Persepolis Rising Tiamat's Wrath Leviathan Falls Memory's Legion The Expanse Short Fiction Drive The Butcher of Anderson Station Gods of Risk The Churn The Vital Abyss Strange Dogs Auberon The Sins of Our Fathers*

[The Gnostic World](#) Rodale Books

(Book). The Bass Book offers a complete illustrated history of bass guitars from Fender's first in the 1950s through the models

of the next 40 years that formed the foundation for modern music. The bass guitar is undoubtedly one of the most significant instruments of this century, yet this book is the first to study its history. Features original interviews with bass makers past and present, dozens of unusual, specially commissioned color photos, and a reference section that provides a wealth of information on every major manufacturer.

**Animal Castle #1** Simon and Schuster

Fight Club 2 is available exclusively as a Graphic Novel! Some imaginary friends never go away . . . Ten years after starting Project Mayhem, he lives a mundane life. A kid, a wife. Pills to keep his destiny at bay. But it won't last long, the wife has seen to that. He's back where he started, but this go-round he's got more at stake than his own life. The time has arrived . . . Rise or Die. New York Times bestselling novelist Chuck Palahniuk and acclaimed artist Cameron Stewart have collaborated for one of the most highly anticipated comic book and literary events—the return of Tyler Durden. The first rule of Fight Club 2 might be not to talk about it, but Fight Club 2 is generating international headlines and will introduce a new generation of readers to Project Mayhem. Praise for the comics that comprise Fight Club 2: “At turns deeply poignant and very funny, Palahniuk’s freakish

fables capture a twisted zeitgeist and add an oddly inspirational and subversive voice to the contemporary canon.... In the post-9/11 present, a hyperactive, Internet-obsessed, war- and recession-weary America apparently needs Tyler again.”—THE ATLANTIC “The book is fantastic, my highest recommendation.... Excellent work by Cameron Stewart and David Mack, and by our awesome friends at Dark Horse Comics.”—Brian Michael Bendis “If Tyler Durden needed a resurgence, there’s no time like the present for his return... Fight Club 2 is a comic that taps back into everything great about the source material, and one that makes Tyler Durden’s warm nihilistic embrace a welcome draw back into a familiar world of cynicism, violence, and anarchy.... “Tyler Lives,” and I couldn’t be happier by the prospect of more bedlam.”—NEWSARAMA “Palahniuk is delivering a worthy sequel to his most beloved story.”—THE NERDIST “Entertaining.”—COMIC BOOK RESOURCES “Excellent.”—THE BEAT “An amazing piece of work. You do not want to miss out on this.”—COMICVINE “Perfect.”—FORCES OF GEEK “We have a worthy sequel on our hands.... A must read.”—COMICOSITY “Cameron Stewart truly outdoes himself on every level in this book.”—BLOODY DISGUSTING “Clever and beautiful.”—COMICS ALLIANCE
