The Secret of Ella and Micha Linda Kage

From the bestselling author of *Bright Side* and *Gus Love is strange*. It comes out of nowhere. There's no logic to it. It's not methodical. It's not scientific. It's pure emotion and passion. And emotion and passion can be dangerous because they fuel love...and hate. I'm now a reluctant connoisseur of both--an expert through immersion. I know them intimately. When I fell in love with Miranda, it was swift and blind. She was the person I'd elevated to mythical status in my head, in my dreams. Here's the thing about

dreams, they're smoke. They're spun as thoughts until they become something we think we want. Something we think we need. That was Miranda. She was smoke. I thought I wanted her. I thought I needed her. Over time reality crept in and slowly dissected and disemboweled my dreams like a predator, leaving behind a rotting carcass. Reality can be a fierce bitch. So can Miranda. And I can be a fool... who believes in dreams. And people. And love. Note from the author: Due to strong language and sexual content, this book is recommended for mature audiences only. Barely Breathing Bookouture After witnessing a horrific crime, Lana is

sent to a boarding school in Vermont, removed from everyone she knows, where mysterious notes start showing up in her belongings referencing the crime. The Breathing Series Skyscape Rock musician Jimmy "JD" Davis considers pursuing a relationship with Jenna, while she works through the emotional effects of her abuse at the hands of her ex-husband. Undeniable Simon and Schuster Sixteen-year-old Cara Lange has always been a loner, even more so since she moved away from her best and only friend, Zoe, a few years ago. Cara mostly spends her time avoiding the popular girls who call her 'choker' after a humiliating incident in

the cafeteria, and watching Ethan Gray from a distance, wishing he would finally notice her. Then one day Cara comes home and finds Zoe waiting for her. Zoe's on the run from problems at home, and Cara agrees to help her hide. With Zoe back, Cara's life changes overnight. Zoe gives her a new look and new confidence, and before she can blink, Cara is flirting with Ethan and getting invited to parties. And best of all, she has her best friend to confide in again. But just as quickly as Cara's life came together, it starts to unravel. A girl goes missing in her town, and everyone is a suspect ~ including Ethan. Worse still, Zoe starts behaving very strangely, and Cara

begins to wonder what exactly her friend does all day when she's at school. You're supposed to be able to trust your best friend no matter what, but what if she turns into a total stranger?

The Mighty Storm

Penguin

During the Cold War, freedom of expression was vaunted as liberal democracy's most cherished possession—but such freedom was put in service of a hidden agenda. In *The Cultural Cold War*, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most

comprehensive account yet of the [CIA's] activities between 1947 and 1967" by the *New York Times*, the book presents shocking evidence of the CIA's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA's astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period" (The

Wall Street Journal), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.

The Claiming Of Sleeping Beauty

The Prince's reward for ending the hundred years of enchantment is Beauty's complete and total enslavement to him. Sleeping Beauty awakes to a world of

In the first of a three part retelling of the Sleeping Beauty story, Anne Rice explores the unspoken implications of this lush, suggestive fairy tale, opening up a world of erotic yearning and fantasy which is perfect for fans of Fifty Shades of Grey.
