Acoustic Classics Wise Publications

Hard Ground unites Michael O'Brien's compelling photographs and Tom Waits's powerful poetry to reveal our common humanity with the men, women, and children who survive on the street

The Little Black Book Of Chords Wise Publications

A pocket-sized collection of classic hits presented in chord songbook format with Guitar boxes and complete lyrics.

The Big Red Songbook Wise Publications

Known for his growling vocals and for the distinct poetry of his lyrics, Tom Waits has amassed over the course of three decades a devoted cult following. The Early Years collects the lyrics—formative and classic—from the first ten albums of this true bard of hard living. A celebration of both his words and of the artist himself, this lyrical biography charts the course from Wait's emotional debut album, Closing Time (1977), to the experimental stirrings in Heartattack and Vine (1991) and One from the Heart (1992). Here the words achieve a new potency, adding further dimension to this singularly gifted artist.

The Little Black Songbook: Bob Dylan Wise Publications

This is indeed an incredible endeavor. For sure the most comprehensive collection of rebel workers' songs and poems ever compiled in English. It includes ALL the songs that appeared in the IWW's celebrated "little red songbook" from 1909 through 1973, plus dozens of others that never made it into the songbook. Here are the songs of Joe Hill, T-Bone slim, Dick Brazier, Ralph Chaplin, Covington Hall and other Wobbly legends; lesser knowns, but ought to be legends such as Eugene Barnett, Paul Walker, and Henry Pfaff; for the first time anywhere, a good selection of songs by women Wobblies: Anges Thecla Fair, Laura Payne Emerson, Sophie Fagin, Jane Street, Laura Tanne and others;

songwriters from other continents, including Australians Bill Casey and Harry Hooton, the Englishman Leon Rosselson, Germans Ernest Riebe and John Olday, and the Scotsman Douglas Robson. A special section focuses on variants and parodies of IWW songs: a Depression-era version of "Hallelujah I'm a Bum," Jack Langan's 1960s version of "Solidarity Forever," an Earth First! adaptation of Joe Hill's "There is Power" by Walkin' Jim Stoltz, and Hazel Dickens' bold update of "The Rebel Girl." Best of all, perhaps is the wealth of essays, analysis, references, bibliographies, and discographies, provided by Archie Green, his coeditors, and other collaborators, providing not only historical/biographical context, but also a wide range of perspectives on the Wobbly counterculture and its enduring legacies. And there's an afterword by Utah Phillips!

Jazz Ballads Createspace Independent Publishing Platform

Chords and lyrics for 70 songs as performed by Leonard Cohen on various sound recordings; words and music chiefly by Cohen.

The Little Black Songbook: Classic Hits Harper Collins

Originally published in 1744, and republished in 1813, this book contains familiar nursery rhymes with unfamiliar variations, as well as nursery rhymes that are nearly forgotten. Parents Note: 18th Century nursery rhymes were not as pretty and delicate as are modern rhymes. Some language and images may be disturbing for some readers. Please read these rhymes with your child, and explain historic changes. The original text begins: Dear Nurse, YOUR diligence and tenderness in bringing up my children, will always command my utmost endeavours to serve you. And as I cannot but approve, so I recommend this your laudable design, of compiling a Collection of Songs, so fit for the capacities of Infants, both in words and tunes, by which they are often lull'd to rest, when cross, and in great pain. The first Songs are very suitably compos'd for a Baby, but pray be careful, not to simg them too loud; lest you frighten the child, when you design to lull it to sleep, or divert it; for you know, great care ought to be observed as to the early sense of children, some arriving to a knowledge, and notice of animals and their sounds, much earlier than others. And now I am speaking of frights, I will recommend a method that is very useful, to prevent them in some cases, such as in making them familiar with domestic, or other animals, as the Dog, Cat, Horse, Cow, &c. by persuading them to stroke, or touch them, as they happen to fall in their way, which will make them as they grow up, bold in their carriage, to all such creatures, otherwise timorous to a misfortune, But this in particular, I insist on, above all others, that you never mention a Bull Beggar, Tom Poker, Raw Head and Bloody Bones, &c. lest you make such frightful impressions on their tender minds, as may never be eradicated Likewise, as many of the following songs while the Nurses are singing them, are attended with dancing, or exercismg infants, I seriously intreat all who have the care of children, not to swing them by the arms with their heels backwards, lest they dislocate their Backs, which has ruined many, a fine child. I hope your experienced sister Nurses will not be ispleased, as my design is not to direct them but as it very often happens, that young girls are entrusted with the care of children, I think these precautions and songs may be of use to them, as they have been to, Yours, &c. Within are the original nursery rhymes and many original woodcuts, which may not be as familiar as you expect! A Description of the Original 1744 Book, From the British Library Collections: "This is the earliest surviving collection of nursery rhymes. There is evidence that Volumes I and II were advertised for sale in early 1744, but no copies of the first volume are still in existence, and

only two copies of this second volume are known to have survived. The book represents one of the very first attempts to make books in which children would delight. It has been carefully designed to appeal to its young target audience - it is satisfyingly small and child-sized at 3 x 13/4 inches; it includes an illustration, in alternating red and black ink, on each page; and the rhymes it contains are great fun. "Many of these 39 rhymes are still familiar to children today, such as 'Bah, Bah, a black sheep' and 'Girls and Boys, Come out to play', 'Lady Bird, Lady Bird' and 'Hickere, Dickere, Dock'. Others have been forgotten - perhaps due to their frank and earthy nature. 'Piss a Bed', for instance, is a rhyme about bed-wetting. Evidently toilet humour has been popular with young children for centuries, although this is rarely acknowledged in histories of children's culture. "The author is described as 'Nurse Lovechild'. Only one real name appears on the book's title page: Mary Cooper who is said to have sold the book. Cooper was the widow of the publisher Thomas Cooper." - See more at: <https://www.bl.uk/collection-items/tommy-thumbs-pretty-song-book#sthash.x8HL4b5E.dp>

Beautiful Maladies Alfred Music Publishing

The Smiths: The Singles Collection presents 19 of The Smith's most popular single releases arranged for Guitar TAB, with accompanying standard notation and guitar chord boxes. The importance of the single in the career of The Smiths cannot be overstated. Morrissey and Marr both regarded the format as hugely significant, with each release sporting a traditional paper sleeve and poignant

choice of cover star, from James Dean to Shelagh Delaney. They reflected the band's shared love of the great singles of the 50s and 60s, and many have since become collector's items. This selection of songs therefore shows The Smiths at their most amusing, absurd, doleful, wry and charming.

Marr's arrangements, which struck a chord with guitarists and songwriters the world over, are faithfully transcribed here. They are all here, from the early sparkle of This Charming Man and Hand In Glove to the cutting Panic and longing Boy With The Thorn In His Side. Often regarded as the last great British singles band, this collection of 19 songs represents the very best of The Smiths. With an integrated Spotify playlist allowing you to listen to the songs as you learn, this is perfect way to master the unique and intricate guitar playing of Johnny Marr and the songwriting of The Smiths.

Songlist: - Ask - Bigmouth Strikes Again - The Boy With The Thorn In His Side - Girlfriend In A Coma - Hand In Glove - Heaven Knows I'm Miserable Now - How Soon Is Now? - I Started Something I Couldn't Finish - Last Night I Dreamt That Somebody Loved Me - Panic - Shakespeare's Sister - Sheila Take A Bow - Shoplifters Of The World Unite - Stop Me If You Think You've Heard This One Before - That Joke Isn't Funny Anymore - There Is A Light That Never Goes Out - This Charming Man - What Difference Does It Make? - William, It Was Really Nothing

Iron & Wine: The Songbook Hal Leonard Corporation

Johnny Cash Wise Publications

(Music Sales America). This is Tom Waits' 19th album in a career spanning nearly three decades. The most bluesy to date, it is still characterised by fantastical characters, surreal fantasies and a gritty, 'artfully scratched' sound. Here are all the songs from the album, arranged for piano and voice with lyrics and guitar chord boxes.

The Beatles Complete Chord Songbook Music Sales

For voice and piano, with chord symbols and guitar chord diagrams.
