Mount Adams Country*  
Falcon Guides  
Don't let winter weather  
keep you indoors! Best  
Winter Walks & Hikes  
Puget Sound, 2nd Ed.  
offers typically snow-free

trails for winter walks and  
hikes. From urban parks  
in Seattle and the  
eastside communities to  
the foothills and lowlands  
of the Nisqually River,  
from the Issaquah Alps to  
the Kitsap and Olympic  
Peninsulas - there are  
outdoor experiences  
waiting for you wherever  
you go. The guidebook  
also includes trips to the  
north Puget Sound area,

including the boulders of  
Devil's Garden, and  
beautiful Chuckanut  
Mountain, as well as trails  
in the spectacular Mima  
Mounds and Black Hills  
Crest areas of South  
Puget Sound.  
*Hiking Mount Rainier  
National Park* The  
Mountaineers Books  
Fully updated and revised,  
this second edition has  
detailed descriptions and

maps of fifty-five trails, from Devils Tower National Monument and Mount Rushmore National Memorial to Custer State Park, Wind Cave, and Badlands National Park. *Snowshoe Hikes in the Cascades and Olympics* Arcadia Publishing Winner of the 2018 National Outdoor Book Award, Children's Category Handcrafted for Northwest parents, educators, and caregivers that want to spark a love of nature, *50 Hikes with Kids* highlights the most kid-friendly hikes in

Oregon and Washington. These hikes are perfect for little legs—they are all under four miles and have an elevation gain of 900 feet or less. Some are even accessible by stroller. Every entry includes the essential details: easy-to-read, trustworthy directions; a detailed map; hike length and elevation gain; bathroom access; and where to grab a bite to eat nearby. Full-color photographs highlight the fun things to see along the trail. Backpacker Sasquatch

**Books**  
This is the only comprehensive guide dedicated to this one classic trail. All alternate routes are also described (unlike the more general mentions in books that include other trails as well). Hikers will learn about all the best hidden side trips, discover great planning tips, find out how best to snag one of the coveted permits, and have complete sample itineraries available to help with planning, making this guide indispensable to anyone

planning to tackle the Wonderland Trail.  
*Day Hike! Mount Rainier*  
 Rowman & Littlefield  
 The Cascade volcanoes dominate the landscape in the Pacific Northwest. *Best Climbs Cascade Volcanoes* showcases the best routes on eighteen of these incredible mountains, from gentle glacier routes suitable for novice climbers to steep, classic mountain faces that will challenge the seasoned expert. Includes: | Mount Rainier | Mount St. Helens | Mount Baker | Mount Hood |

Mount Bachelor | Mount Adams | Mount Shasta | and many more . . .  
Hiking the Wonderland Trail The Mountaineers Books  
 A guide to the best walks, hikes, and backpacks the Evergreen State has to offer.  
Best Climbs Cascade Volcanoes Rowman & Littlefield  
 A comprehensive guide to nearly 50 of the best hikes in the Mount Adams Wilderness Area, Indian Heaven, and Trapper Creek Wilderness in southwest Washington.

A Year in Paradise  
 Rowman & Littlefield  
 Discover the 51 best trails for day hiking around Mount Rainier National Park. This guidebook is the perfect companion for hikers wanting to explore the best views and destinations in and around the national park by day, and spend peaceful evenings at home. Each trail is rated, and range from easy to moderate to extreme, giving newbie hikers or veterans with hundreds of miles on their boots the choices they want. The

relaunch of this popular series now includes full-color photographs of every hike in addition to topographical maps, trail descriptions, and more.

**National Parks of the West** The Mountaineers Books

"[This book] includes short and easy hikes as well as longer and more challenging options. The guide features 80 hikes in, and just outside, the national park with detailed topo route maps and full-color photos throughout"-- Amazon.com.

Day Hiking Mount Rainier National Park The Mountaineers Books

\* The first hiking guidebook devoted to Alaska's Chugach State Park\* Includes great hikes for families as well as serious backpackers\* Both authors are avid Alaska hikers and know these trails intimately Attracting over a million visitors each year, Alaska's Chugach State Park spans a half-million acres and eight distinct environments - all within easy reach of Anchorage. This is the most

comprehensive trail guidebook to the region.50 Hikes in Alaska's Chugach State Park includes nearly all the hikeable trails and peaks in the park, from popular Flattop Mountain to rarely seen valleys. With a mix of hikes for all ages and abilities, you'll be able to find exactly what you're looking for, whether it's a two-mile week-night stroll or a multiday backpacking trip or scramble.For each hike you'll get detailed driving directions to the trailhead; complete information on

elevation, hiking time, difficulty, distance, and terrain; and helpful maps and photos. Rounding out the guidebook is information on flora and fauna, history, and geology of Chugach State Park.

### **Hike It Baby**

Mountaineers Books

An updated guide to one of the East Coast's most popular hiking venues. "After more than two decades of hiking," writes Cloe Chunn, "I am even more in love with this place." "This place" is northern Maine, a

magnificent and largely unspoiled stretch of landscape encompassing Baxter State Park, the Rangeley Lakes, Aroostook County, and much more. Chunn leads hikers up Maine's highest and most scenic peaks: Mount Katahdin, Kineo, Traveler, and Doubletop from gentle grades to vertiginous scrambling along the Knife's Edge. She leads you to waterfalls, remote ponds, lookout towers, swimming holes, and incomparable vistas. Hikes in this revised third

edition range in length from 2 hours to 5 days, and provide something for hikers of all abilities. Each hike description includes a topographical map and information on mileage, rise, and terrain. Along the way Chunn provides information on the geology, wildlife, and history of each trail. And she places special emphasis on family hiking: how to choose the best trails for kids, and how to make the trip appealing to hikers of every age. 40 black and white photographs 51

*Day Hiking Mount Rainier*

Rowman & Littlefield

New parents and parents of toddlers face unique challenges when it comes to planning outdoor trips. “Family-friendly trail” is often a misleading phrase, and doesn’t take young children under the age of 5 into consideration, whose safety and comfort require a different perspective. The unpredictable nature of little ones leads many parents to put their adventure dreams on the

back burner, missing out on years of meaningful experiences as a family. Hike it Baby presents 100 outdoor adventures across the U.S. that you can take with babies and toddlers (really!), along with everything you need to know about exploring the natural world. Sourced from real families using Hike it Baby’s trail-tested system, this book helps moms and dads get out there in their comfort zone, yet feel like hardcore adventurers! Whether you’ve always wanted to hike part of the

Appalachian Trail, splash around in gentle Northwest waterfalls, or scramble up rocks in the desert surrounded by Joshua Trees, this book shows you how to plan a truly memorable journey together.

[Best Easy Day Hikes Mount Rainier National Park](#) The Countryman Press

Most hiking guides are written by backpackers who occasionally day hike. But most people are day hikers who occasionally backpack! So Sasquatch Books has

created a series from the ground up just for them. Written for people who want to get out and sample the vaunted Northwest lifestyle with as little hassle and unpredictability as possible, the fresh style, content, and design will also win sales and loyalty from more experienced hikers. Since the book is organized in the way that people travel -- by major roads and highways -- it's easy to find trails without having to cross-reference three or four different guides. Also included are

complete trail descriptions; easy-to-read USGS topo maps with elevation profiles; clear and up-to-date driving directions; overall trail ratings; mileage and estimated hiking time; elevation gain; trail conditions; difficulty level; best season; map references; exploring options; access; permits required; special notes on dogs, bikes, and kids; and where to find more information. A quick-reference chart to season and difficulty level as well as sharp, contemporary

black-and-white photographs round out the guide.

*The Challenge of Rainier, 40th Anniversary*

Countryman Press

A compendium of information and trivia about Mount Ranier and the surrounding national park, with fun facts and statistics in sections on early exploration, the human and natural history of the area, the park service, colorful characters, Indian tribes, park facilities, glaciers, landmarks, events, spiritual aspects, trails,

roads, wildlife, activities, and volcanology. Includes b&w photos and maps. c. Book News Inc.

##### **Seattle** Falcon Guides

This select guide includes detailed, easy to follow directions to climbing 100 of Washington's most visible, historically significant, and interesting mountains with summits over 5,000 feet. From introductory level off-trail summit hikes and scrambles to multi-pitch alpine rock and high volcano climbs, this guide

is suitable for beginning scramblers and alpine rock climbers as well as more experienced climbers. Blending all types of climbing at all levels of difficulty, you'll find routes to popular scrambling peaks such as Mount Si, classic alpine rock peaks such as Prusik Peak, and to big volcanoes including Mount Rainier. Fully revised and updated, this book has been praised by scramblers, alpine rock climbers, volcano climbers, and trip leaders alike as being an

accurate, user-friendly guide with superb, easy-to-follow route descriptions and drawings, to the summits of the mountains that people actually want to climb.

#### **Best Winter Walks and Hikes** Sasquatch Books

In midwinter 1920, Floyd Schmoe and his bride struggled up Mount Rainier on snowshoes on a long-delayed honeymoon. As the new caretakers at Paradise Inn, they would be alone in a towering world of snow and ice and

incomparable beauty, until the plows arrived to free them on the fourth of July. So began a long love affair with Mount Rainier. And here is Floyd Schmoe's account of it; a delightful and informative portrait of a mountain through the seasons of the year.
