This is a story that Jesus told. A woman has ten valuable coins - but she has lost one. What will she do now? Can you spot the hidden coin in every one picture? This is part of a series that will be an instant hit with young children whilst at the same time giving them early knowlege of the teachings of Jesus.

[The Coin of Dionysius \(A Classic Short Story of Detective Max Carrados\)](#) Original Writing Limited, Dublin

This book answers one question: How can Bitcoin, a purely digital money that's not backed by anything, have any value to people at all? You'll learn that Bitcoin is three things: a programmable money, a computer network, and a social phenomenon. These parts are mutually reinforcing, inseparable and governed by consensus. You'll find out how Bitcoin works for you. You'll learn how to set up a wallet and how to use it to receive Bitcoin. Lastly, you'll see what Bitcoin achieves when we compare it to gold and to fiat currencies. Bitcoin is the first and most rival, excludable, digital good. It is the hardest money ever conceived. We need good money. Orange Coin Good.

A teenage boy discovers a coin that can change his life with every flip in this Andre Norton Award-winning sci-fi fantasy for young adult readers. Sixteen-year-old Ephraim Scott is horrified when he comes home from school and finds his mother unconscious at the kitchen table, clutching a bottle of pills. The reason for her suicide attempt is even more disturbing: She had just identified Ephraim's body at the morgue that day. Among his dead double's belongings, Ephraim finds a strange coin—one that grants wishes when he flips it. With a flick of his thumb, he can turn his alcoholic mother into a model parent or catch the eye of the girl he's had a crush on since second grade. But the coin doesn't always change things for the better. And a bad flip can destroy other people's lives as easily as it improves his own. Now Ephraim must learn to control the power of the coin before his luck runs out. Winner of the 2012 Andre Norton Award for Outstanding Young Adult Science Fiction/Fantasy Book Finalist of the 2013 Compton Crook Award and 2013 British Fantasy Award for Best Newcomer (the Sydney J. Bounds Award)

"The Coin of the Realm is hard to categorize yet easy to love. On one level it's a gripping thriller with exotic locales, memorable characters, and a compelling romance; while just beneath the surface swirl mysteries of destiny, purpose, the intricate workings of fate, and the ultimate sources of meaning in life. The novel's transcendent themes will haunt the reader long after the 'thrill[er] is gone.' I recommend it most highly." -Roy Schoeman, author of *Salvation is from the Jews and Honey from the Rock* (Ignatius Press) "With its sure-handed style and literary polish, one is hard-pressed to accept that *The Coin of the Realm* is a first novel. This is pure adventure storytelling, yet intertwined with the eternal quest for truths that lie just beyond our grasp. Seagoing exploits aboard *Caroline Coast*, a ramshackle freighter, conjure passages of Patrick O'Brian-distinct praise indeed. But whether the scene is set in the Great Lakes, the Atlantic, Tunisia, or the Sahara, the author keeps the pace moving and the excitement high, using action and mystery to skillfully project us into the minds and hearts of his characters. Roger Dubin has proven he's a writer to watch." -Anthony Eglin, author of *The Blue Rose*, *The Lost Gardens*, *Trail of the Wild Rose*, *The Water Lily Cross*, and *Garden of Secrets Past* (St. Martin's Press)

THE RISE OF THE DRAGON AND THE FALL OF KINGS Lord Regent Geder Palliako's war has led his nation and the priests of the spider goddess to victory after victory. No power has withstood him,

except for the heart of the one woman he desires. As the violence builds and the cracks in his rule begin to show, he will risk everything to gain her love or else her destruction. Clara Kalliam, the loyal traitor, is torn between the woman she once was and the woman she has become. With her sons on all sides of the conflict, her house cannot stand, but there is a power in choosing when and how to fall. And in *Porte Oliva*, banker Cithrin bel Sarcour and Captain Marcus Wester learn the terrible truth that links this war to the fall of the dragons millennia before, and that to save the world, Cithrin must conquer it. *The Dagger and the Coin**The Dragon's Path**The King's Blood**The Tyrant's Law**The Widow's House**The Spider's War* Writing as James S. An intriguing new series following the trails of the Wild West It all starts with a coin, but not just any coin.... In 1835 a dollar can mean life, or the slow death by starvation for a young New Orleans street urchin. When the lad spots the silver dollar in the debris littering the his path, he feels it's the luckiest day of his young life. But this coin has a history, and a future that doesn't include the boy. For a while the urchin and the coin's paths will intersect, and the union will spark an adventure the size and scope of which the young man could never have dreamed. But a coin is not meant for keeping. As the silver dollar leaves one set of hands for another owner, the journey continues. From far-flung western frontiers, to the Great Plains, this one coin will touch many lives, a mountain man, a soiled dove, and it will witness unspeakable violence, and events of touching humanity. For many the coin will become their savor, a single silver drop in there empty well of hope. For others the coin is their last earthy possession, a token of good luck passed on to others for new guardianship. Yet, at each new pocket or purse, the scope and breath of the coin's path will astound you. *The Silver Dollar* is an epic new western action tale like nothing you've ever read before, unique, heartbreaking and packed with the historical details you have come to expect from best selling author, WR Benton.

THE OFFICIAL BOOK, FULLY ENDORSED BY QUEEN ELIZABETH II From Her Majesty's trusted confidant and Dresser Angela Kelly LVO comes a lavishly designed book of never-before-seen photos of The Queen, Her wardrobe and Her jewels and features intimate anecdotes from Angela's 25-year career working closely with Her Majesty. A truly unique keepsake and collectors' item to be treasured. 'For the nearly seven decades of her reign, Her Majesty The Queen has used clothing to create a powerful visual identity that transcends fashion and has made her perhaps the most readily identifiable person on the planet. Angela Kelly, building on the work of the great designers and milliners who have worked with Her Majesty through the years - including couturiers Sir Norman

Hartnell, Sir Hardy Amies, and Ian Thomas, and milliners such as Simone Mirman and Freddy Fox – brings her own imagination to bear on an iconic ‘uniform’ that suggests continuity and tradition, and ensures that the wearer is always the most visible person in a room or a crowd.’ –Anna Wintour, Vogue When Angela Kelly and The Queen are together, laughter echoes through the corridors of Buckingham Palace. Angela has worked with The Queen and walked the corridors of the Royal Household for twenty-five years, initially as Her Majesty’s Senior Dresser and then latterly as Her Majesty’s Personal Advisor, Curator, Wardrobe and In-house Designer. As the first person in history to hold this title, she shares a uniquely close working relationship with The Queen. In *The Other Side of the Coin*, The Queen has personally given Angela her blessing to share their extraordinary bond with the world. Whether it’s preparing for a formal occasion or brightening Her Majesty’s day with a playful joke, Angela’s priority is to serve and support. Sharing never-before-seen photographs – many from Angela’s own private collection – and charming anecdotes of their time spent together, this revealing book provides memorable insights into what it’s like to work closely with The Queen, to curate her wardrobe and to discover a true and lasting connection along the way. ‘The book documents the unique working relationship between Her Majesty The Queen and the woman who has been her Personal Assistant and Senior Dresser for more than two decades: Angela Kelly. It gives a rare insight into the demands of the job of supporting the Monarch, and we gain privileged insight into a successful working relationship, characterized by humor, creativity, hard work, and a mutual commitment to service and duty. Angela is a talented and inspiring woman, who has captured the highlights of her long career with The Queen for us all to share.’ –Samantha Cohen, Assistant Private Secretary to The Queen (2011–2018)

Bestselling author Marisa Silver takes Dorothea Lange’s Migrant Mother photograph as inspiration for a story of two women—one famous and one forgotten—and their remarkable chance encounter. In 1936, a young mother resting by the side of the road in central California is spontaneously photographed by a woman documenting migrant laborers in search of work. Few personal details are exchanged and neither woman has any way of knowing that they have produced one of the most iconic images of the Great Depression. In present day, Walker Dodge, a professor of cultural history, stumbles upon a family secret embedded in the now-famous picture. In luminous prose, Silver creates an extraordinary tale from a brief event in history and its repercussions throughout the decades that follow—a reminder that a great photograph captures the essence of a moment yet only scratches the surface of a life.

**The Spider's War** Charlesbridge

The epic conclusion to *The Dagger* and *The Coin* series, perfect for fans of George R.R. Martin. Lord Regent Geder Palliako’s great war has spilled across the world, nation after nation falling before the ancient priesthood and weapon of dragons. But even as conquest follows conquest, the final victory retreats before him like a mirage. Schism and revolt begin to erode the foundations of the empire, and the great conquest threatens to collapse into a permanent conflict of all against all. In Carse, with armies on all borders, Cithrin bel Sarcour, Marcus Wester, and Clara Kalliam are faced with the impossible task of bringing a lasting peace to the world. Their tools: traitors high in the imperial army, the last survivor of the dragon empire, and a financial scheme that is either a revolution or the greatest fraud in the history of the world.

This early work by Ernest Bramah was originally published in 1914 and we are now republishing it with a brand new introduction. ‘The Coin of Dionysius’ is a mystery short story of a coin and a blind man. Ernest Bramah Smith was born near Manchester in 1868. He was a poor student, and dropped out of the Manchester Grammar School when sixteen years old to go into the farming business. Bramah found commercial and critical success with his first novel, *The Wallet of Kai Lung*, but it was his later stories of detective Max Carrados that assured him lasting fame.

When Ah Ying is kidnapped, she must escape from her life of slavery, while being pursued by gangs and missionaries, in order to find true love in San Francisco’s Chinatown at the turn of the 20th century. Ah Ying is only 9 years old when she awakens in the hold of a ship bound for America. Sold by her family for a few Chinese yuan, she is beaten and burned as a child slave in San Francisco’s Chinatown. Her defiant survival allows Ah Ying to take control of her life, as she finds romance, is rescued by missionaries and is given a new life at the Mission Home. Life is good until her rescuers become her captors and she is again forced to flee to be with her beloved Gee Sung. What ensues is a race between her love for Gee Sung, the Tong highbinders that want to enslave her, and the Presbyterian Missionaries that want to save her soul. “Three Coins” is based upon a true story that touches upon the themes of human trafficking, immigration, cultural and racial discrimination, violence, and romance that are as relevant today as they were 140 years ago.
